

Tool Licence Test

Before you start work in the garden, you need to know the names of the tools and equipment that you might use, what they do and how to use them safely. Fill in the table below with these tools, find out what you use them for, and how to use them safely.

Rake

Trowel

Hoe

Pitchfork

Mattock

Hand fork
Wheelbarrow

Shovel or Spade
Secateurs

Watering can
Garden hose

	Name	What do you use this for?	How do you use this safely in the garden?
